

# Driving instructions from Billund airport to Langeland

Follow **Route 28** towards **Vejle** for approx. 30 km

Continue to follow **Route 28** generally straight through **Vejle**.  
Follow green directions towards **Motorway E45**  
At the outskirts of **Vejle** go south on **Motorway E45** towards **Kolding/Odense**

After 9 km the motorway divides in two. Take the left, **E20 east**, direction **Odense**

Stay on **E20** for approx. 65 km

Passing **Odense** there is a **Motorway Crossing**  
Go south on **Motorway E9** to **Svendborg**

After 20 km the **Motorway** changes to **Highway A9**  
Continue straight forward towards **Svendborg**

After 20 km on **Highway A9** you get to **Svendborg**  
Continue straight ahead driving towards **Rudkøbing**

Follow **A9** from **Svendborg** to **Rudkøbing**  
On the way you will pass 3 bridges  
Follow **Brovejen** approx. 1 km after crossing the **bridge to Langeland**

Turn down the second road at your right hand – **Omfartsvejen**  
(Road sign to Bagenkop)  
Follow **Omfartsvejen** approx. 500 m

Take the third exit in the roundabout, **Spodsbjergvej**  
Follow **Spodsbjergvej** approx. 4,5 km

Turn right at **Longelsevej**  
There is a road sign to **LKF Vejmarkering A/S**

Follow **Longelsevej** approx. 2 km to **Sdr. Longelse**  
You cannot miss **LKF Vejmarkering A/S**  
Administration is at the right side and Production is at the left side
